ABOUT NOVOJET

With over **20 years of experience** in the world of watersports, is located in Sancti Petri. An old almadrabero town. So we are surrounded by nature, culture and history.

Since 2011 we are **certified** with the **brand quality Natural Park**. We have been also awarded as **Tui Sustainable Supplier**.

Our team **aims** to **exceed our customer expectations** and turn everyday moments into memories with a constant focus on communication, teamwork, quality + service standards.

MISSION & VISION

MISSION

Our goal is to **develop customer trust**, employee respect and creating a unique water sport experience without forgetting the importance of preserving our environment.

VISION

To **share our passion** and create culture which foster awareness and participation in water sports.

NOVOJET STUDENTS

This project was created with **the goal** of getting young people **excited** about **nautical activities** in a beautiful, natural setting: Sancti Petri, with its Castle of Sancti Petri, Punta del Boqueron, and the marshes that lead into the Bay of Cadiz Natural Park, is the perfect place to do just that!

With over 20 years of experience and **this fantastic location**, it's the perfect place for fun and learning! Surrounded by history, culture, and nature and we really appreciate the importance of caring for our environment. We offer a wide range of **aquatic activities** that **can be tailored** to the needs of your group.

We also have **other fun activities** for you to choose from, like hiking in the beautiful Sierra de Cádiz, tree climbing, or paintball!

OUR SURROUNDING AREA

SANCTI PETRI CASTLE

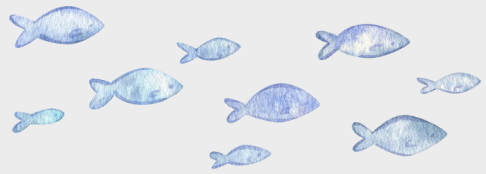

There are few monuments on the Atlantic coast that have the same kind of pull for visitors as the Castle of Sancti Petri.

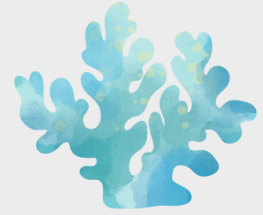

The castle is located on an island at the mouth of the Caño de Sancti-Petri and has historical ties to one of the most significant temples from classical antiquity: the temple of Melqart-Hercules.

The castle has a long history, dating back to 1100 BC. According to legend, Hercules, the mythical founder of Cádiz, was buried in this temple.

OUR SURROUNDING AREA SALINA SANTA TERESA

It is an environmental project developed in the Natural Park of the Bay of Cadiz, based mainly on:

- Recovery of aquaculture.
- Recovery of Saliculture (salt production), although in a testimonial way.

The salt mines were abandoned more than 30 years ago and recently recovered and where you can enjoy:

Visits guided, during the visit you will learn about the functionality of the salt mine and the process of salt and the different specimens of fish and crabs.

Tours to learn about the flora and the different types of birds that visit each day

KAYAKS & PADDLE

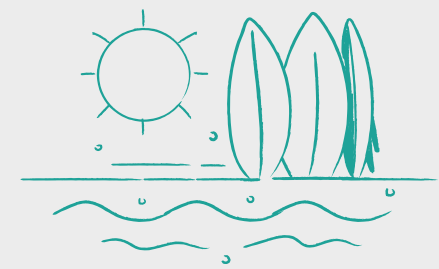

We have recreational kayaks, easy to handle, that guarantee safety, fun and learning for all our students. We also have giant paddles (XL), doubles, and singles, which are great for encouraging cooperative and individual games. They're perfect for making sure everyone has a good time and lots of laughs!

The routes will depend on the weather conditions and tides that we have during the chosen day and depending on the ages, games will take place instead of routes through the area.

We can visit the castle of Sancti Petri or venture into the interior of the marshes to reach Salinas Santa Teresa.

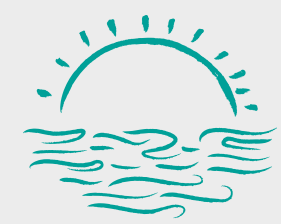

SURF & BODYBOARD

Discover our exciting Surf & Bodyboard activities designed for all students and adapted to all levels. We have the best equipment available to guarantee your fun and learning, in the safest environment.

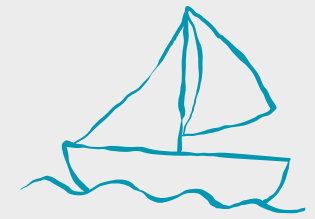

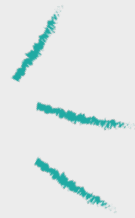

BEACH ANIMATION

We offer unique experiences for students in an unparalleled coastal environment. Our animations are adapted to encourage learning through rotating games in the sand and water, providing students with an unforgettable educational and recreational experience.

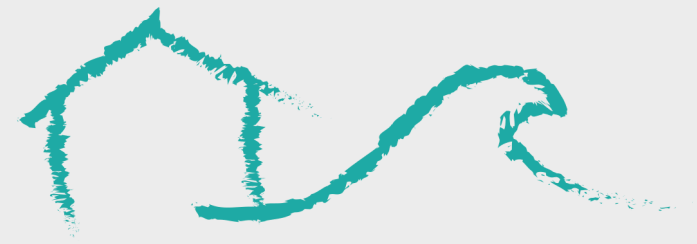

SPEED BOATS

Our speedboat rides are a fun and educational experience for students. It combines the excitement of speed on the sea with the opportunity to enjoy a refreshing swim while jumping from the boat.
